(In the space provided below, please explain in detail the reasons for the delay in filing a proper reply)

The Notice To File Missing Parts Of Nonprovisional Application dated May 15, 2002, was received in our office on September 30, 2002. It was inadvertently misplaced and a proper reply was not provided to the Patent Office within a timely manner. We, therefore, respectfully request revival of the abandoned patent application.

*(Please attach additional sheets if additional space is necessary)*
